

UNIVERSITY OF
COPENHAGEN

15 June – 21 June

Scandic Falkoner
Copenhagen
Denmark

2025

International Insect Hormone Workshop

Topics include:

Nutrient sensing & inter-organ crosstalk

Metabolic & hormonal dynamics

Hormones & reproduction

Hormonal regulation of organ growth and remodeling

Behavioral decisions & hormonal drivers

Integrative osmoregulation

Developmental plasticity & hormonal regulation

Sexual dimorphism in hormonal signaling

Organizer

Kim Rewitz

Department of Biology
University of Copenhagen
